

QRIS Document Checklist for Center Based Sites

NOTE: All documents required to verify rating scores must be present at the time of the QRIS site visit.

*Documents presented outside of the site visit will **NOT** be considered for the site rating.*

Element 1:

Rater(s) will select 2 children's files per classroom randomly for:

- Completed DRDP 2015 documentation (either hardcopy or online DRDPs) Evidence that DRDP results are used to inform curriculum planning in the form of:
 - Lesson plans/written curriculum statements/planning webs/planning session notes
- NAEYC accreditation (only if accredited)
- DRDP Online evidence in the form of:
 - Online Report printouts or on computer (even if done off-site or through third party)

Element 2:

Rater(s) will select 2 children's files per classroom randomly for:

- Physician's Reports LIC 701 or Equivalent
- Vision and hearing screening documentation (done either through Healthier Kids Foundation or annually collected Physician's Reports LIC 701 or Equivalent)
- Completed ASQ-3 and ASQ-SE questionnaires
- Evidence that the site has a referral policy in place for referring children to support services as needed in the form of:
 - Written referral policy/conversations between site staff and WestEd rating staff
- Evidence that ASQ-3 and ASQ-SE results are used to implement intervention strategies and adaptations as appropriate in the form of:
 - Lesson plans/written curriculum statements/planning webs/planning session notes

Elements 3 & 7:

Rater(s) will look at all Lead Early Childhood Educator's and On-site Supervisor's files for:

- Verification of degree
- Permit level
- ECE units
- Management and/or Supervision and Administration units (only for Element 7)
- 21 hours of PD documented annually (one year back from date of site visit) in the form of:
 - PD through approved training organizations with completion certificates
 - Current college coursework transcripts if any
